The Brewer's Standard™ Pale Ale

Deeper in color and flavor than Rahr 2-Row and Rahr Pilsner malts, Rahr Pale Ale is a blend of North American grown 2-row barleys. Packed with pleasant malt flavor and high extract yield, Rahr Pale performs well in American, English, and Continental-style Ales.

Boasting versatile base-malt appeal across nearly all beer styles, Rahr Pale Ale plays a vital role in countless Bitters, Browns, Milds, and Porters, as well as IPAs of all stripes. For strong malt character and high efficiency, Rahr Pale Ale passes the test.
